LATINO CENTER FOR COMMUNITY ENGAGEMENT

HF 2116, SF 1699

COPAL is excited to announce the development of a transformative community space — the Latino Center for Community Engagement (LCCE). This building was damaged during the 2020 summer protests in Minneapolis and stands as a symbolic cornerstone within the heart of Minneapolis' Latine community. The LCCE will serve as a vibrant community gathering space to host events and house COPAL's programmatic and administrative operations, dedicated to advancing the dreams and aspirations of our growing community.
